

#DigilInventors Challenge – Primary School Edition

Photography, Audio and Filming Permission Slip

Background

The #DigilInventors Challenge, Primary School Edition, challenges Scotland's Primary School pupils to work either as an individual, in pairs or in teams (of up to a maximum of 4 pupils) and come up with a digital health and care idea that can help young people live fitter, healthier and happier lives.

It is a digital challenge whereby digital submissions will be reviewed and judged, before a winner and plus runners up, for each stage (Primary 5, Primary 6 and Primary 7) will be invited to attend an in-person award ceremony and prizegiving at the City of Glasgow College.

What is personal data?

Personal data is any information whatsoever which can be used to identify an individual. Photographs, film and audio recordings of an individual are classed as personal data and consent is needed from that individual to allow others to record, use and share such information.

Why is the DHI collecting your personal data?

The DHI's marketing team intend to capture photographs, film and audio record the participants in the #DigilInventors Challenge, Primary School Edition, and from whom the DHI has obtained the necessary permission, to promote the #DigilInventors Challenge, Primary School Edition. The University of Strathclyde will ensure that all copyright in the photographs, audio recordings and films (including those captured by any third-party supplier) produced as part of the this exercise, is owned by the University.

How will the DHI use your personal data and who will they share it with?

If you are willing to provide consent the DHI would like to use your photo, name, image, voice or likeness for the following purposes:

1. Promotion of the #DigilInventors Challenge, Primary School Edition, by the DHI for the current and future challenges. Such promotion may include use in the DHI's advertising and resources in relation to the #DigilInventors Challenge, Primary School Edition, including but not limited to the #DigilInventors Challenge website (www.digiinventors.com), social media, advertising, press, film and video, radio and publications.
 2. Video images of the participants presenting the subject matter of their challenge entries at the #DigilInventors Challenge award ceremony/ prize giving.
 3. To create videos for the winners' presentation at a pre-determined formal prize-giving event, which will take place on Tuesday 18 April 2023 at City of Glasgow College and to be shown online on the DHI/ #DigilInventors website(s).
 4. Use on #DigilInventors Challenge, Primary School Edition, partner and sponsor organisation websites and resources for the purposes of promoting and advertising the #DigilInventors Challenge, Primary School Edition. Such partners include but may not be limited to Digital Health & Care Innovation Centre, City of Glasgow College, Raising Aspirations in Science Education (RAISE) – a programme of The Wood Foundation, Education Scotland, Scottish Government and participating local authorities
